Aside from receiving a considerable amount of exposure for your business, you will be helping a community sports program that is in desperate need. Lacrosse in Prince William County Schools is a non-funded sport despite being VHSL sanctioned and our players, parents, and coaches do 100% of fundraising just so we can field a team. Equipment, referees, travel expenses, uniforms, are all very expensive and our players & parents have to absorb all of the cost. This is very a frustrating situation, considering that lacrosse is the fastest growing high school sport in the nation and Stonewall Jackson High School services and educates many students from low-income families.

It is my goal as head coach at Stonewall Jackson, to lower the cost of playing for each player so that every student here has the opportunity to play this great sport regardless of their income level. Please join me in our quest to make this sport accessible to all students!

We are looking forward to a great season and Stonewall Jackson Boys Lacrosse Boosters thanks you for your continued support. Any Questions? Please call Coach LePore @ 703.283.6199

**Please make checks payable to: Stonewall Jackson Boys Lacrosse Boosters.**

Thank you very much!!
